

Dear Robert,

The toys that were distributed to the Play Centre were greatly received. It was wonderful to be able to give a gift to children that we know are more vulnerable and less fortunate than others. The excitement was contagious and it was a really nice way to end the year. We had one family who were in the middle of care proceedings and another family who had just moved into their first 'safe' house after leaving a refuge; to be able to give these children a gift to take with them meant a lot.

The toys were beautiful and it was a truly amazing gesture!

Many thanks and best wishes.
